Notify your immediate supervisor of your injury. If you feel that you need medical attention, you may choose one of the providers listed here. Please call the provider to confirm First Health participation and to schedule an appointment for faster service. Many clinics are open extended hours for your convenience. For urgent care needs after clinics hours, you may proceed directly to the hospital listed here. Patients will be seen on a medical priority basis. In emergency situations you may immediately seek treatment from the nearest qualified facility or provider. .

Your Employer and its Insurance Carrier utilizes **First Health contracted providers**. The above list is not a complete list of healthcare providers with First Health. **If your situation is a medical emergency requiring immediate attention, dial 911 or proceed to the nearest hospital which provides emergency services.** Use of network does not confirm or verify compensability under the Workers' Compensation Act, which is determined solely by the claims administrator.
